Coverage

The Catastrophic Leave Bank helps you and your colleagues, who are also members. It covers you (the member), to take time off to care for yourself, your dependent child, spouse or domestic partner, an immediate family member living in the household, or any relative of which the member has legal power of attorney or medical proxy.

Eligibility

To become a member, you simply donate one day of your sick leave a year. You **must** be a part of the bank for a minimum of one year before you are eligible to request days, and have exhausted **all** your sick leave. If you have disability insurance, you **must** use it first.

Disability Insurance

As an educator, in California, you do not qualify for Disability Insurance (SDI). CTA recommends you purchase The Standard Insurance (www.standard.com) as income protection for when you're too ill or injured to work, also helpful for maternity leave. Disability Insurance does not cover you to take care of your family; Catastrophic Leave does!

Workers' Comp

Leave from the Bank **may not** be used for an illness or injury covered by Workers' Comp, unless those benefits have terminated.
